## June/ July- 2025 Newsletter

Hello everyone, and welcome to the latest edition of our Newsletter. I trust you are all making the most of the beautiful sunshine. We've experienced some wonderful weather in recent weeks, and let's keep our fingers crossed that it lasts!

The months of June and July have been quite eventful for us. Our residents have been actively engaged every day with a variety of activities to keep them entertained and involved. We organized numerous in-house events and welcomed visits from external professionals. We sincerely hope that you all enjoyed these visits and the activities we hosted. We are open to any suggestions and feedback on how we can enhance the experience for our residents and make life at Peacock Manor even more vibrant and meaningful. Please feel free to share your thoughts with us.

Ice bucket challenge @ Peacock Manor. ❤️👑

We accomplished some incredible work. Our focus was on spreading joy to our residents and their families, while also raising funds for Dementia UK. We extend our gratitude to the families, residents, and all the staff who participated. We are confident that our residents enjoyed themselves as they took turns participating in the challenge. A special thanks to Liz, Sally, and our director for being part of the challenge.

We successfully raised an incredible £788 for Dementia UK! A huge thank you to everyone who contributed.

## From Great Britain Care Cycle Relay.

Sally, our activities coordinator, participated in the **Great British Care Cycle Relay** to assist in raising funds for Dementia UK. We are grateful to Sally for everything she does for our residents.
