## **May- A month well spent making memories**

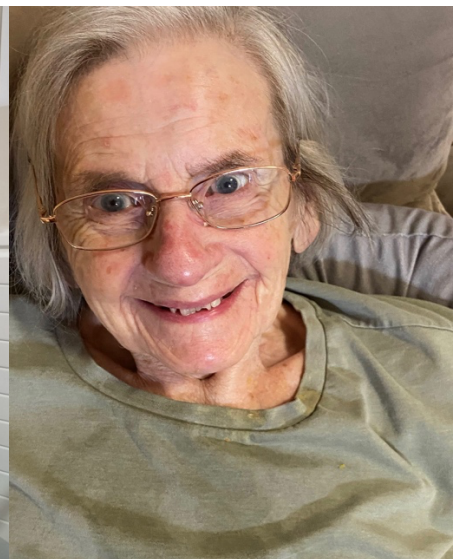

At Peacock Manor, we experienced a month full of surprises and musical events. Thanks to the pleasant weather, we began taking residents outdoors, and basking in the sunshine brings a feeling of relief and happiness. Embracing nature and being in its presence uplifts the spirits of our residents.

Additionally, we had some delightful surprises in store for our residents in May 2025, including a visit from our friends, the Goats. We also commemorated VE Day at the care home. Our residents had a wonderful time enjoying musical sessions led by Nikki and Maggie from Musical Moments.

Curry night turned out to be a great success, as we all savored delicious curries and delightful dishes infused with a variety of spices. We want to express our gratitude to everyone who joined us.

## Happy Faces

# Moments to Cherish- Goats Visit

## Goats Visit to Peacock Manor

Our dear little friends came to see us at Peacock Manor, creating memories that we will treasure. They made a lasting impact on their visit, making it truly special. We could see the joy in our residents' eyes as they welcomed these little friends.

## Recent highlights

**In May, we hosted a curry night that was well attended by families, residents, and staff. It was a delightful feast that everyone who attended thoroughly enjoyed. We made lasting memories for residents, families, and staff alike.**

## Our next area of focus

**We are thrilled to welcome June! This month is filled with joy and excitement as we anticipate musical events, visits from Alpacas, and a sponsored fundraising event. Our residents are also eager for the visit from the children of QE and the church services.**

**'Seeing the happy faces of our residents brings us joy.'**

### Upcoming Trainings for Staff
