Lovely Springtime Celebrations

After a cold, snowy, wintery start to the year we have finally made it through to spring, and are able to admire all the beauty of springtime nature again. Bulbs are flowering, leaves are once again appearing on the trees and the weather means we can get outside – just a little bit! At Peacock Manor we have indeed enjoyed just a little bit of time outdoors and even been able to get stuck in with some gardening. We've planted lovely herbs that our chef will be able to use in cooking and we simply can't wait for our family and friends to be able to admire our work.

Eastertime

Easter doesn't just happen does it? There's the big build up - painting eggs, planning a special tea, contriving with the Easter Bunny to hide eggs for the egg hunt and making sure there will be plenty of chocolate to go round!

At Peacock Manor it's no different. We've been busy busy! We enjoy together, and keeping our fingers crossed that we have a very chocolatey time! We also had Hazel, the therapy horse visited us as well. Children from QE also visited us and made the day very special
